The "Creationism vs. Evolution" Debate Introduction One of the most fundamental questions about nature is: "How did we get here"? In other words, how did we humans as well as the plants and animals around us come into existence? In Western countries, there are two main systems that are used, to explain how, exactly, plants, animals and humans began their existence. Those two ...

Apologetics Press Introductory Christian Evidences Correspondence Course. 1. CREATION VS. EVOLUTION PART I. There are two very different, and totally opposite, explanations for the origin of the Universe and the origin of life in the Universe. Each of these explanations is an entire world view, or philosophy, of origins and destinies, of life and meaning. One of these world views is ...
