It focuses on style, diction, characterization, and ...

Digital Literary Studies: Workshop Service Repair Manual

The intermingling of corpus linguistics and stylistics is a call for the stylisticians to note the broader vision of stylistics and its importance in digital literary studies. This also meant to underline the encompassing nature of corpus linguistics that deploys varied methods bringing in qualitative, quantitative and computational methods.

Kieran O'Halloran | King's College London - Academia.edu

Digital literacy has been an increasingly-debated and discussed topic since the publication of Paul Gilster's seminal Digital Literacy in 1997. It is, however, a complex term predicated on previous work in new literacies such as information literacy and computer literacy. To make sense of this complexity and uncertainty I come up with a "continuum of ambiguity" and employ a Pragmatic ...

What is "digital literacy"? - clalliance.org

A Corpus Linguistic Approach to Literary Language and Characterization Virginia Woolf's The Waves is a strong and valuable contribution to the computational study of literature. I especially like the thoroughness of the book's treatment of earlier criticism on The Waves .
