Confidentiality: good practice in handling patient information The duties of a doctor registered with the General Medical Council Patients must be able to trust doctors with their lives and health.

**Confidentiality - gmc-uk.org**

Respect for patient confidentiality. Confidentiality is usually thought of as an ethical issue. It is, but it is also a legal obligation: Employed healthcare workers are usually bound by a confidentiality clause in their contracts. There is a common-law duty to preserve professional confidence. The Constitution guarantees citizens the

right to privacy, including the right not to have the ...
