PDF | On Aug 1, 2012, AYO WAHLBERG and others published Book Review of Drink water, but remember the source: moral discourse in a Chinese village, by Oxfeld, Ellen

(PDF) Book Review of Drink water, but remember the source

"Drink Water, But Remember the Source is a lively and readable ethnography that will reshape our understanding of moral discourse in the Chinese countryside. Oxfeld greatly improves upon the usual claims that China is losing all forms of communal morality by illustrating the multiplicity of views refracted through concrete events."â€”Robert P. Weller, Boston University

Drink Water, but Remember the Source by Ellen Oxfeld

Remember Choose water as a drink. Sweetened drinks such as soft drinks, fruit juice drinks, cordials, sports and energy drinks are not a necessary part of a healthy diet. Regularly offering sweetened drinks makes it harder to choose water as a drink. If sweetened drinks are on the menu, try not to include them every day and choose healthier options, such as watered-down versions of favourite ...

What is water provision? Access to water is a fundamental human right and necessary for good health. Schools can encourage consumption of water by:

Water provision - Public Health Agency

It is a fact; drinking water is essential to our being. It is so important to stay hydrated during our day, not only to replenish the water that we lose throughout the day, but drinking more water can aid in weight loss, manage diabetes, essential in pregnancy and also keeps your teeth, skin and gums healthy.
